

ACLS/BLS skill verification
CRASH Conference
Presented by Health Education Network, Inc

This ACLS course has two components, designed to maximize your time during the conference.

- The first step is completing the American Heart Association (AHA) Advanced Cardiac Life Support (ACLS) Heartcode online program which is accessed at www.onlineaha.org. You will pay \$105.00 to the AHA website to purchase the program.
- BLS skill verification is also an option, but completion of the AHA BLS for Healthcare Provider online program must be completed at this same website. This is optional for the participants attending skills in Vail.
- The second step is taking the skills verification portion of the course at the Crash Conference.

The AHA Heartcode online program provides interactive scenario's of ACLS management. There are 10 case scenarios and generally takes between 4-8 hours to complete the program. The written exam is also provided online. Upon arrival at the skill verification in Vail, the participant will show proof of completion by presenting the AHA completion certificate to the instructor. Skills include:

- 3 cycles of adult BLS (30:2 compression to ventilation ratio)
- Mega-code/technology/rhythm review

AHA card (s) & 13 CME will be awarded after completion of the above.

Course Date/time selections:

- February 28th 10:30-12:00pm
- March 1st 10:30-12:00pm

Location: Lions Head Marriot, Vail Colorado

Cost: \$150.00 (skills at Vail) includes AHA card

Cards generated: American Heart Association ACLS and capability for BLS if needed
